

VINAY SAXENA

D.O.B: 02/11/1994

OBJECTIVES

I am a well rounded web developer with a passion for creativity and new ideas. I love the feeling of accomplishment when you solve a problem and I always put in the extra effort to achieve that feeling. I am actively picking up new ideas and concepts and actively follow the BDD principles. I enjoy working in teams and know that working together you can achieve something brilliant.
